"OUR VISION IS TO HELP YOURS"

PROVIDING ADVANCED EYE CARE SINCE 1957

DR. STEVE BUTZON, O.D. | DR. CAROLINE CHO, O.D.

The Importance of Eye Exams

Eye exams for children are very important to make sure your child's eyes are healthy. Coming in for yearly eye exams ensure that they have no vision problems that could interfere with school performance and potentially affect your child's safety.

Yearly eye exams verifies your child has:

- Excellent visual acuity at all distances
- Accurate and comfortable eye teaming skills
- Accurate eye movement skills
- Accurate and comfortable focusing skills

Call our office to book an appointment for your child today!
